

May 1 & 2, 2020
Kirk Fordice Equine Center
Jackson, MS

Mississippi Horse Rescue needs your help! The 5th Annual Safe Horse Auction and Trainers Challenge is a unique and positive experience that helps educate and grow participation in equine ownership, as well as highlighting trainers as they prepare horses for adoption. The addition of the Trainers Challenge the day prior to the auction promises to bring our biggest crowd yet!

A keepsake program will include listings of services and information needed for the new horse owner as part of the owner package. This information will also be available to the public leading up to and after the event on our web site and Facebook page.
